

# Come Celebrate

## National Health Center Week

August 8th - 14th

The second week of August each year is dedicated to recognizing the service and contributions of Community, Migrant, Homeless and Public Housing Health Centers in providing access to affordable, high quality, cost-effective health care to medically vulnerable and underserved people in the U.S. This year's commemoration is special because 2010 also marks the 45th Anniversary of the creation of the Health Centers Program.
